WORK EXPERIENCE

Motion Graphic Designer

Disruptive Advertising

06/2021 - 06/2022

A marketing agency driven by having a lasting impact and relationship with its clients. They believe in a process that results in a win for the company, clients, and employees alike.

- Completed hundreds of motion graphic videos for Facebook, YouTube, Instagram, and TikTok that could increase clicks by 1600%.
- Collaborated with static designers and marketing consultants to launch creative campaigns for a variety of clients.
- Produced detailed trainings on audio editing and motion workflow for other team members.

Motion Graphic Designer & Video Editor

Papi Digital

02/2019 - 06/2021

Papi Digital is a marketing agency that aims to help businesses grow exponentially through SEO and social media strategies. I started as an intern and was later rehired under contract work.

- Designed a series of 2D and 3D motion graphics for a social media campaign showcasing the features of a branded product, raising revenue by 23%.
- Prepared multiple episodes and animations for branding the Papi Digital website and podcast.
- Visualized and animated podcast segments of the Headspace brand

Video Editor

Wenner Productions

07/2020 - 12/2020

Wenner Productions is a media production company that primarily works with fitness companies.

- Remade and animated the Crunch Fitness logo for their educational fitness courses.
- Edited video, audio, and stock footage for an instructional series.

Multimedia Department Assistant

California Lutheran University

09/2020 - 06/2021

- Tutored students on tips and techniques in various Adobe software.
- Managed CLU social media accounts such as Youtube and Instagram to showcase events in the department.
